

King Philip Pop Warner Team Portraits

Welcome to the 2010 King Philip Pop Warner Team Portrait Day by Gemini Photo Events!

Here are the details:

- All photos will be taken on the Anderson-DiPlacido game field during the weekdays, before practice. Your team's photo date and time are on the schedule at bottom.
- All players and cheerleaders should attend this event, even if they do not want to purchase photos. The official team photo will be given to coaches and assistant coaches and should have all players in it.
- Please try to arrive 10 minutes before your photo time at the entrance to the game field.
- Cheerleaders should be dressed in game uniform and cheer coaches should bring any pom-poms they wish to use.
- Football players should be dressed in home game uniform with full pads and socks. Shirts and strings should be tucked in and we will need six helmets from each team for props.
- Paper envelopes will be handed out prior to your photo day. You may use them for your orders by choosing your packages and individual items and placing payment inside. You may also use our online order form by clicking on this link and choosing your items and paying online:

- Sibling Discount Policy: Gemini Photo Events offers a discount to families with more than one player in the league. This applies to orders of similar packages only, packages A, B, C, D, E, F, or G. Individual items do not qualify. The discount is as follows:
 - First package bought (A-G) priced at full price.
 - Second **identical** package to above purchased for sibling priced at 5% off original price
 - Third and fourth **identical** packages to above purchased for siblings priced at 10% off original price.
 - You may not mix packages.
 - **YOU MUST USE PAPER ENVELOPES TO GET SIBLING DISCOUNT. THE ONLINE ORDER FORM CANNOT PROCESS THE DISCOUNT. ANY QUESTIONS CALL US AT 508 384 1452 OR EMAIL US AT sales@geminiphotoevents.com. We will be happy to help.**

- You may choose a package, individual items, or both to make up your order. Packages generally offer the best deal and most provide both individual and team photos.
- You may put more than one player in your photo, such as siblings all in one photo. For each grouping, such as all together and each separately, you will have to fill out a separate envelope. We cannot combine more than one grouping or individual into an order.
 - For example, you have two players on separate teams. You want an individual photo of each and one of them together. We can take the photos of them individually with their respective teams and also both together during one of their team photo times. To purchase items or packages of each, you would have to fill out three envelopes, one for each individually and one for the two of them together. Call us and we can help.
